

Spatial coverage of herring spawn and eBird checklists

Strait of Georgia analysis window, 2005-2025 | 217,200 eligible checklists | 1,116 linked spawn events

Locations generalized to 10-km hexagons; checklist cells with fewer than 20 records are suppressed.
Herring: DFO Pacific herring spawn index, 2025 release. Land: Natural Earth 1:10m.
